

# **TROP ICSU LESSON PLAN DEVPT WORKSHOPS FOR VARIOUS DISCIPLINES**

On 20 December 2018, a one-day workshop for Mathematics and Statistics teachers was held at IISER Pune, India. This event focused on lesson plan development and was attended by 21 undergraduate-level teachers from various colleges in Mumbai, India. During the workshop, the participants discussed ideas and developed outline lesson plans for the integration of climate topics with existing curriculum in their disciplines.

On 28 January 2019, a one-day workshop for teachers of the Humanities, Social Sciences,

and Economics was held at Jesus and Mary College, New Delhi, India. This event focused on lesson plan development in these specific disciplines and was attended by approximately 40 undergraduate-level teachers from various colleges in New Delhi, India. During the workshop, the participants discussed ideas and

developed outline lesson plans for the integration of climate topics with existing curriculum in their disciplines. The workshop also included participants from Mathematics, Computer Science, Commerce, Business Administration, and Elementary Education. More about these workshops can be found out in our [January 2019 Newsletter](#).
