The TROP ICSU: Climate Change Education project is led by the **International Union of Biological Sciences**.

To commemorate the completion of 100 years of promoting excellence in biological sciences, the **International Union of Biological Sciences (IUBS)** has launched a webinar series. We begin this journey with a lecture by Prof. Rattan Lal, this year's **World Food Prize** Awardee, titled "Forgetting How to Tend the Soil" on 2nd October at 1:00 PM GMT.
