

ONLINE PRESENTATION AT UN BIODIVERSITY CONFERENCE (COP15)

An online presentation titled 'The Climate Crisis: Education For Climate Awareness' was held at the Communication, Education and Public Awareness (CEPA) Fair at the UN Biodiversity Conference (COP15) in Montreal, Canada.

The event was held from 7-19 December, 2022 and witnessed governments from around the world coming together to agree on a new set of goals to guide global action through 2030 to halt and reverse nature loss.

Dr. Rahul Chopra

Director, Centre for Sustainability,
Environment and Climate Change
